

# Healy Macs 12 Bar

Located on the corner of Jalan Ampang, beneath the Nomad residences, the latest "12Bar" addition to the Healy Mac's brand of Irish Bars offers the same warm hospitality and ice cold drinks but with the addition of 12 bar live music featuring old established Malaysian musicians and upcoming youngsters in a beautiful environment. This brand of Irish bars was recently voted "The best Irish pub in the world outside Ireland", at P.Ramlee K.L, but this one is with a twist, a love of music, with a Blues soul core plus Latin, contemporary, rock, and Irish ballads that can reduce you to heaving sobs with songs about lost love, lost land and faded hopes.
